8 March Healing Preparation Guide

Ye special guide un logon ke liye hai jo 8 March Live Healing Session ka maximum impact lena chahte hain.

Why Preparation Matters?

- 90% log bina mental clarity ke session attend karte hain.
- Emotional baggage release nahi hota to results slow milte hain.
- Clear intention ke bina manifestation weak ho jata hai.

3-Day Healing Preparation Ritual

- Day 1 – Mental Detox: Negative content avoid karein aur 10 minute silence me baithkar apni current struggle likhein.
- Day 2 – Emotional Release: Kisi ek insaan ko mentally forgive karein aur likhein: 'Main past ko release karta/karti hoon.'
- Day 3 – Intention Activation: Likhein – 8 March session se mujhe kya result chahiye?
